

Resource Kit for *Professionals*

A collage of images showcasing the OurFamilyWizard app and professional use. The central focus is a smartphone displaying the app's interface. The 'Calendar' screen shows a monthly view with dates 2 through 31, where the 25th is highlighted. Below the calendar, two events are listed: 'First Day of School' (8:00 AM - 3:30 PM) and 'Swim Practice' (4:00 PM - 6:00 PM). To the right, the 'Expense Log' screen is visible, showing a search bar and a list of expenses. One entry for 'Filling for Nina' is expanded, showing details like 'Purchased: 05/30/2023', 'School (50/50)', and 'Total: \$200.00'. Another entry for 'Piano Lessons' is also visible. A 'New Check In' modal is open over the expense log, showing a date of 'Jun 28' and a location of 'Kenwood Elementary School'. In the bottom left, a notification bubble from 'OurFamilyWizard' states 'Amy Sand, Esq sent you a message.' In the bottom right, a circular inset shows a woman in a yellow shirt and a man in a blue shirt shaking hands over a table with a laptop. The background is a dark blue gradient with light blue circular accents.
